PERSONAL SKILLS

- TEAMWORK
- CREATIVITY
- MEDIATION
- HOBBY

LANGUAGES

I am a native Italian speaker, I speak fluent English (B2) and I know the basics of German (B1).

ACADEMICAL EXPERIENCES

FRONTEND AND UI DEVELOPER LEADER/ "ilgomitolo" project 2020

First university experience in html, css, javascript using the Vue framework. It consists of an e-commerce web app prototype.
https://edoardovicenzi.github.io/ilgomitolo.io/#/

UI DESIGN LEADER / "ComandApp" project 2019

First experience as UI and UX Designer. The design was done entirely in Axure. It consists of a hi-fi prototype of an innovative waiter application.
https://edoardovicenzi.github.io/comandApp/

UX/UI LEADER / "Smart-U" project 2022

Second design experience using contemporary styles such as glassmorphism. The project intends to develop a single application for university services and other internal services. Made entirely in figma.

PROFESSIONAL SKILLS

- WEB PROGRAMMING
- INTERFACE DESIGN
- PROGRAMMING
- GRAPHIC DESIGN
- PRODUCT DESIGN
- INCLUSIVE DESIGN

EDUCATION

INTERFACES AND COMMUNICATION TECHNOLOGIES / ongoing

I study at the Cognitive Sciences Department of Rovereto. In addition to web design, we also deal with neural networks, customer-company relationships, interface design, including physical ones (for example wearables) and design that ranges from the development of intangible to tangible products up to support ones.

LEONARDO DA VINCI SCIENTIFIC HIGH SCHOOL / high school diploma 2017

I come from a scientific background and I have always been interested, privately, in complementing my studies through projects or personal work.

TECHNICAL SKILLS

- PYTHON
- JAVASCRIPT
- HTML
- CSS
- JAVA
- FIGMA

HOBBY

In my hobbies I include all those personal projects like web scraper, website revamp and many more. I also love to read and in my spare time I am a gamer.
